PHILIPS

Highlights

12.2 mm drivers

This is big, powerful bass that lets you really feel the beat. Powerful 12.2 mm speaker drivers blast out thumping bass from a sleek, compact package.

Ergonomic design

Ergonomically designed with oval and angled tubes for a comfortable, natural fit. So you can keep listening for hours in total comfort.

Sound isolation

Designed for optimal passive noise isolation, this in-ear fit ensures you never miss a beat of your music.

6-hour playtime

With 6 hours of playtime, you'll have enough power to keep your music going all day.

Handsfree calls

An easy-to-use remote control allows you to play or pause tracks and answer calls with a simple push of a button.

Big, bold bass

This is big, powerful bass that lets you really feel the beat. Don't let the sleek design fool you – specially tuned drivers and bass vents produce ultra-low end frequencies to create a unique BASS+ sound signature.

Bluetooth

Easily pair your headphones with any Bluetooth device for wireless music.

Secure wing tips

The wing tips provide a little extra push for a better, more secure fit that never falls out.

USB charging cable

The included USB charging cable makes it easy to keep your headphones powered up when you need them.
